GreyFriars' Afternoon Tea Selection

JING

The following tea is sourced and selected by **JING Tea**

Assam Breakfast

Assam, India

This signature breakfast tea has been meticulously selected during the prime second flush, and expertly blended to promote the diverse qualities of bold Assam terroir: assertive strength, honeyed-malt, and truly rich flavour.

Earl Grey

Ruhuna, Sri Lanka

To create this definitive version of Earl Grey tea, quality ingredients were selected that perfectly balance one another: a full-bodied base black tea from Sri Lanka, the zesty note from natural bergamot and a sprinkling of bright blue cornflowers.

Darjeeling Second Flush

West Bengal, India

Our tippy Darjeeling Second Flush tea encapsulates the best of the summer season of this famous region. Lighter and more fragrant than other Indian black teas, this particular Darjeeling tea combines warming and comforting aromatic flavours with a deeply refreshing taste and enough body to make it a classic afternoon tea.

Organic Jade Sword

Hunan, China

This unique interpretation of 'Mao Feng', is one of China's most widely enjoyed green teas. The mist that protects the bushes from sunlight in the tea gardens, prevents the production of bitterness in the leaves, rendering a sweet, succulent flavour. Simple hand-baking completes this very fresh, green tea which, upon infusion, reveals a delicate, floral aroma and vegetal character.

Jasmine Silver Needle

Yunnan, China

The young tea buds are plucked whole and dried slowly during the spring season. Their delicate texture and sweet taste offer the perfect base for natural scenting in the height of summer. The tea is laid with fresh jasmine flowers for five consecutive nights, releasing enticing aromas as they bloom.

White Peony

Fujian, China

Sets of two deep green leaves, and a downy silver bud produce a pale golden green infusion full of sweet notes of honey and refreshing cucumber and melon. This White Peony combines the delicate flavour of Silver Needle white tea with the depth and complexity of a green tea.

Lemon Verbena

Agadir, Morocco

The highest grade loose Lemon Verbena leaf has been picked and dried slowly to retain the vivid flavour of this beautiful plant, revealing a graceful lemon-pine freshness.

Peppermint Leaf

Bavaria, Germany

A high-quality, loose leaf peppermint tea picked whole and slowly dried to retain essential oils, colour and flavour, rendering an intensely refreshing, smooth and invigorating infusion with a long finish. Packed into our airtight double zip-locked bags for ultimate freshness.

Chamomile Flowers

Slavonia, Croatia

Composed only of the freshest, brightest and whole loose leaf chamomile flowers for a clean and fresh, caffeine-free infusion with clear chamomile taste. Our Chamomile Tea is dried slowly to retain essential oils, flavour and aroma, ideal to enjoy at any time of the day.
